Global solidarity exposes "disengagement" as strengthened Zionist colonization

Worldwide Activism, The Grassroots Palestinian Anti-Apartheid Wall Campaign
August 28th, 2005 — All over the world, activists have been working to make the voice of the Palestinian people heard over the mass media deceit regarding the reality on the ground in Palestine. They have spoken out between the colorful headlines of the "disengagement" news that not only forgot the ongoing land grab, ghettoization and ethnic cleansing in the West Bank and Jerusalem but also forgot the Palestinian people in Gaza.
